The states which are to enter the dry column are lowa, Colorado, Oregon, Washington. Idaho, Arkansas and South Carolina. Many counties in all of the seven states have prohibited the sale of liquor for a number of years under local option laws.

In Colorado, district attorneys, at a recent meeting, agreed that technically the constitutional prohibition amendment and the enforcing statute do not become effective until midnight January 1, but it was also decided that the expiration of all liquor licenses at midnight tonight will render liquor sales New Year day unlawful. According to one authority between \$2,000,000 and \$3,000,000 have been expended for liquor in Colorado within the last week.
